

"We have two hands, one to help ourselves,
the second to help others"

COMMUNITY REPORT

December 2016

Worthing Court Apartment Hotel, located in Worthing, Christ Church Barbados, is committed to doing its part to help their community.

By getting involved in our community, allows our hotel to supporting local business, and by re-imagining where we live, we can green not only our own lifestyles, but our streets, neighborhoods, towns, cities and, ultimately, our societies.

Our entire team at Worthing Court is from Barbados and we support the Variety Club, which is a children's charity. We are proud members of Pack for a Purpose, an initiative that allows travelers like you to make a lasting impact in the community at your travel destination. Our guests are encouraged pack and bring supplies for area schools in Barbados. We have donated over 80 pounds of supplies to this charity and it is a priceless impact in the lives of our local children and families that really need our help.

Our group also supported the women's breast cancer walk. 20 of dedicated team members came out to support this event and walked for this global event in October of 2016.

In 2016, at our Christmas party we also encouraged our hotel staff to donate clothing, toys and non-perishable food items. In the midst of the merriment, employees gave graciously and took time to express that their hearts go out to the less fortunate especially at this time of the year. Commenting on the idea, the General Manager, Alicia Farmer said "Christmas is not only a time for receiving but a time for giving back to those in need. If we reflect on all that we have and give to those who are in need, we are spreading the joy of Christmas which in itself is the most rewarding gift anyone can receive".

We have our community at heart and would continue to work together with our communities!

Signature of Manager

A handwritten signature in black ink, which appears to read "Alicia Farmer". The signature is fluid and cursive.
