By getting involved in our community, allows our hotel to supporting local business, and by re-imagining where we live, we can green not only our own lifestyles, but our streets, neighborhoods, towns, cities and, ultimately, our societies.

Our entire team at Worthing Court is from Barbados and we support the Variety Club, which is a children's charity. We are proud members of Pack for a Purpose, an initiative that allows traveler like you to make a lasting impact in the community at your travel destination. Our guests are encouraged pack and bring supplies for area schools in Barbados. We have donated over 100 pounds of supplies to this charity and it is a priceless impact in the lives of our local children and families that really need our help.
